PERFORMANCE CERTIFICATE

This is to certify that M/S H. N. Bhat & Co.,
1407, Shukrawar Peth, Pune, have carried out the work
of designing, providing & constructing Trade Waste
Treatment and disposal works for Amunation Factory,
Kirkee, Pune-3 Agreement No. B-2/28 of 1983-84.

The scope of work was from designing the plant
to commissioning the same including equipping with
mechanical as well as electrical installation for
gas plant, TNT and electroplating waste.

The plant was commissioned 20 months back and
the same is performing very satisfactorily.

With the experience we have of the said firm,
we can strongly recommend their name for treatment
plant works, as they have good technical knowledge
high financial capacities and very co-operative nature.
